inflatable party center of the universe

"Our Planet" Summer Camp 2011

Educational Arts & Crafts combined with Jumping!

For kids 4 – 12 years old

Weekly: Monday – Friday (9:00am – 12:30pm)

\$159 per week

"Our Planet" is an amazing camp where kids 4-12 years old get to jump and bounce the summer away (and psst, get to explore their creative side and learn about our planet at the same time)!

"Our Planet" Summer Camp program was developed by a Certified Teacher with a Masters in Teaching and emphasizes a unique immersion in creative and educational activities combined with exercise and play. Studies have shown that physical activity and play can improve academic performance and enhance attention and concentration levels. Studies also show that when combined together there is a positive correlation between creativity and physical activity.

Animal Planet!

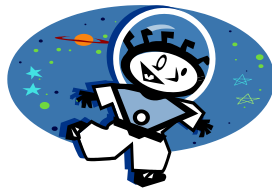

Jun 27 — Jul 1
Aug 1 — Aug 5

Animal Planet is for kids who are crazy about animals! Let your child's natural curiosity for animals be discovered. They will take part in a wide variety of hands-on activities about animals from amphibians to mammals. Campers will discover the importance of peaceful coexistence, cooperation and communication between humans, animals and the environment through games, arts and crafts, and discussion.

Space is the Place!

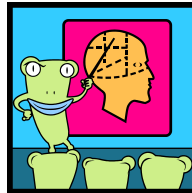

Jul 5—Jul 8
Aug 8 — Aug 12

Space is the Place is for all kids interested in space exploration! Kids will not only learn about our solar system and beyond, but what it takes to become an astronaut, life onboard, zero gravity and centrifugal force. Campers will learn about astronomy by participating in fun hands-on activities, games, arts and crafts, and will even build a space station and their own rocket!

Boogers Brains & Bones!

Jul 11 — Jul 15
Aug 15 — Aug 19

Hey, get your finger outta there! **Boogers, Brains and Bones** week kids will not only learn about these gooey blobs and their importance but other body parts and functions such as saliva, poop, stomach acid, how hair grows, the funny bone (very humerus topic), the five senses, areas of the brain and their functions, as well as nutrition and exercise.

Under the Big Top!

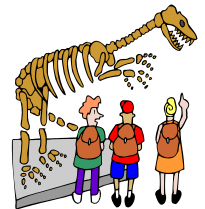

Jul 18 — Jul 22
Aug 22 — Aug 26

Does your little one enjoy clownin' around? **Under the Big Top** is a week-long experience which unleashes their creative, comedic and entertaining talents. Kids will participate in a wide range of activities that encourage creativity, expression and personal growth. Performing in front of an audience is presented as a natural and enjoyable part of every day at camp.

Day at the Museum!

Jul 25—Jul 29

Kids will dig this! Each **Day at the Museum** of this 5-day program will be devoted to different topics, including archaeology, cultural anthropology, forensic anthropology, and art history. Campers will enjoy a week of making personal connections to ancient times through hands-on learning, games, arts and crafts, and activities including digs and interpretation through a mock archaeology site.

"Our Planet" Campers (4 - 12 years old) must bring a sack lunch & beverage, tennis shoes and socks daily. A healthy snack and water will be provided. Drop-off between 8:30am - 9:00am, Pick-up at 12:30pm.

Space is limited, a non-refundable deposit and registration is required.

Additional discounts offered for siblings and multiple week registration!
